 Managing Director & CEO  
 Head Academics &  
 Senior Faculty (Physics)

My Dear parent/Student,

Let me take this opportunity to introduce our new Commerce & Law Programme Division, though our commerce division has successfully completed its first academic session but now through this division we are entering in the new field of Law with the same commitment of providing the best academic support & guidance to students in JEE/NEET & Commerce Division.

At Resonance, we value your dream and zeal to achieve success and we are equally keen in your success in the targeted competitive examination as you and your parents are.

The Common Law Admission Test is a National Level Entrance Exam conducted by 14 national law schools/universities for admissions to their Under Graduate & Post Graduate Degree Programme (LL.B & LL.M).

Through Resonance's Commerce & Law Programme Division, we wish to extend our expertise in Law stream by expert & experienced faculty members delivering the excellent teaching methodology and comprehensive study material.

When you join Resonance, you automatically enter into new system that has already transformed around 1,50,000 aspiring & sincere students into successful & satisfied students. Since its inception in 2001, Resonance has focused mainly on providing a 'complete' system to students by effectively integrating the Kota coaching system with the essential aspects of academic management and over the past 13 years (2001-2013), Resonance has been serving its students with its core values as guiding principles.

The excellent system of Resonance makes a student much stronger and competent on all aspects required to excel on competitive examination including subject knowledge, exam temperament, problem solving & confidence however the major contribution still lies on the part of students himself in terms of sincerely following the system.

The 'Educational Excellence' of Resonance is built upon its successful coaching methodology of one of the toughest competitive examination "JEE" for admission to IITs and NITs and with the same level of rigor it has been extended to divisions of Pre-Medical and Commerce & now in Law Division with dedicated faculty, exclusive study material & separate course plan.

With extraordinary results in our JEE Division, we wish to maintain the same tradition of success in Commerce, CLAT & other Law Competitive Examinations putting the best possible efforts towards the aspirants.

We have many trusting and supportive students and parents in all parts of the country and we wish to express our appreciation for their continued support and endorsement of our academic service. In our last 13 years of operations, we have achieved unprecedented success and we appreciate, congratulate & thank all our students & parents for their belief in Resonance.

I look forward to serve your highest order of scholastic expectations as Resonance.

Best Wishes

R. K. Verma
